About the Global Security Challenge:

The Global Security Challenge (GSC) is a competition and forum for security innovators, start-ups and investors. It provides a valuable launching pad for security innovation and each year over US\$500,000 is awarded to entrepreneurs and researchers within the security technology field. The mission of the GSC is to stimulate technological innovations that make airports, cities and enterprises safer without encroaching on civil liberties.

The GSC is supported by, BAE Systems, Nauta Capital, ONR Global and TSWG, amongst others. Please see www.globalsecuritychallenge.com for further details.
